Berwick St John Country Fayre Working Weekend

2 / 3 March 2024

Dear Exhibitor

On behalf of the Directors of the Berwick St John Country Fayre we are delighted and pleased to be able to welcoming back such a unique opportunity especially in our Country Fayre year. A land working weekend, which is in close proximity to the show with stunning views across the Cranborne Chase.

We have been looking at ways to bring back this working to the show for several years, now with grateful thanks to The Rushmore Estate who are fully supportive of this event we are able to hold such an event over two days.

The event is being held at this time of year to fall in line with farming practices of the Estate, we very much hope in a non Fayre year we may be able to return during the autumn months.

Entry forms need to be completed and returned. Camping is available on the Saturday night. Refreshments will be available to purchase throughout the weekend.

Please wrap up warm, the scenery is amazing but exposed to the elements!
